## What to do next

This profile has given you some information about your local community from Scotland's Census 2011. This is not an end in itself, but rather a starting place for you to explore further.

Resources to help you do this are available from the Mission and Discipleship Council at [www.resourcingmission.org.uk](http://www.resourcingmission.org.uk)

These include *Who is my neighbour*, training materials for making use of this profile for different purposes, and *Future Focus*, a process to examine the life of the congregation and community.

Questions to consider might include:

- > What is the profile of our congregation?
- > How does it compare to the local population?
- > What other churches are in the area? Which parts of the community do they reach? Which parts of the community are being missed?
- > What other local organisations or centres are there that might bring people into our parish? Examples might include work, public services, leisure, shops and voluntary organisations. How can we interact with these people?
- > What areas of our parish do we know well, or less well?
- > How does the local community change between weekdays and weekends?
- > How helpful is our website? Are we correctly placed on the ChurchFinder? [http://cos.churchofscotland.org.uk/church\\_finder/](http://cos.churchofscotland.org.uk/church_finder/)

## Notes

All parish-level Census data is based on 2011 Census Output Areas as released by National Records of Scotland ([www.nrscotland.gov.uk](http://www.nrscotland.gov.uk)). An Output Area is associated with a parish if its population weighted centroid falls within the parish boundary.

Any errors or omissions in Church of Scotland parish boundaries should be reported to the relevant Presbytery Clerk for onward transmission to Ministries Council.

Any errors or omissions in the ChurchFinder details should be notified to [itdept@cofscotland.org.uk](mailto:itdept@cofscotland.org.uk)
